WEAR RED DAY

Wake up and get Red-Day on Friday 19th July
GET RED-DAY!

Thank you so much for signing up to take part in our annual Wear Red Day 2019.

As you know, raising awareness is key to our mission, and what better way to do so than by throwing on a shade of red for the day?

As our Red-Rep, you have the power of getting your community involved, whether that be at home, at school or at work. If the date we are advertising doesn’t suit, don’t worry! Choose a date that works best for you, shout it from the rooftops, and put your best foot forward to begin your fundraising.

In this brochure you will find lots of resources to help you with your event. We’ll also send you one of our fundraising packs which include awareness literature, balloons, wristbands, posters and sponsorship forms.
WEAR RED DAY PLANNING

1. Where do you want to hold your Wear Red Day? Holding it at work, school or a local group or club can work wonders. Or maybe you would prefer to think bigger by hosting a party with a red dress code!

2. If Friday 19th July doesn’t work, choose a date that best suits you and advertise it. Don’t forget the power of social media; post about your event, spread the word and get as many people involved as possible.

3. Set your minimum donation to all of those who choose to wear red. We suggest a minimum donation of £1, but set it higher if you like!

4. And for those who don’t want to wear red: we’ve got you covered! In the fundraising pack we post out to you, you’ll find our very special name-and-shame stickers for those Wear Red Rebels amongst us!

5. When you have completed your event and are ready to donate your funds raised, there are multiple ways you pay this in. I have included the link to our donation page here, where you can find more information.
1. Incorporating other events into your Wear Red Day could be a great way to boost funds. Quizzes, coffee mornings and bake sales are all simple but effective events you can bring into the mix. Please visit our resources page here for more ideas for your event.

2. Sponsorship forms are a great way to gain sponsors; plus, it can help to top up your donations by a further 25% by claiming Gift Aid.

3. Doubling up! - A lot of companies run a Matched Giving scheme, which could double the amount you raise. Speak to your employer and find out if yours is one of them – if not, why not suggest they join the scheme? It’s tax-efficient too!

So, there you have it! This should be all the information you need, but if you have any questions, please don’t hesitate to get in touch with us at fundraising@sepsistrust.org or on 0800 389 6255.

Now what are you waiting for – RED-DAY… SET… GO!
WEAR RED QUIZ

Looking for some fun red themed activities for people to take part in on Wear Red Day? We’ve got you covered with our quizzes! In this pack you will find a music quiz and a general knowledge quiz, along with answer sheets for everybody to take part.

Music Quiz

Find our playlist on Spotify – ‘Wear Red for the UK Sepsis Trust’ or search for the songs on YouTube.

Participants will then need to write down the name of the song and the artist – one point for each. The total will be out of 20.

General Knowledge Quiz

Put on your quiz hats and test yourself with our Wear Red general knowledge quiz. Get your brain into gear and complete all 15 questions – split into teams or take the challenge on your own. Nominate a quiz master to read out the questions and score the answers!

In 2018 we educated over 10,000 healthcare professionals

£250 is the cost to conduct a group support session for up to 20 people

£2 will educate one member of the public on the signs and symptoms of sepsis

www.sepsistrust.org

The UK Sepsis Trust registered charity number (England & Wales) 1138843. Company registration number 8644039.
In 2018 we opened 7 new support groups, taking us into nearly every major city in the UK.

£20 will pay for posters in your GP surgery and local pharmacy.

Together we have raised £

The funds you raise will help to save lives and improve outcomes for survivors of sepsis. Due to your hard work we can educate even more healthcare professionals, make more people than ever aware of sepsis, and to ensure those affected by sepsis have access to the support we offer.
