FUNDRAISING IDEAS

Are you looking for ways that your **Golf Club** can get involved in supporting the **UK Sepsis Trust (UKST)**? Golf fundraising has huge potential to make a significant difference in our mission to **save lives from sepsis** and improve outcomes for survivors, and we're here to help!

There are lots of different ways to support us – take a look at our favourite ideas below.

Golf Club Charity of the Year

Selecting a charity to partner with over the year is a great way to engage your golfers and make a real difference in the fight against sepsis. [Click here to register the UK Sepsis Trust as your Club's Charity of the Year.](#)

Charity Golf Day

Organise a standard 18-hole competition for family, friends, work colleagues or fellow club members. You could also hold an auction, raffle, or bake sale to maximise your fundraising!

Golf-a-thon

Challenge golfers to play as many holes as possible in a day or within a set time frame. Participants can ask friends, family and colleagues to pledge donations for their efforts.

Sepsis Awareness Day

Hold a Sepsis Awareness Day at your Golf Club and encourage guests to wear something red, orange or yellow. Book a UKST volunteer to come and speak to your members about the dangers of this condition which will help raise awareness and save lives.

September is Sepsis Awareness Month and the 13th is World Sepsis Day – so why not hold your event sometime around then?

Auction

Organise a live or silent auction where golfers and guests can bid on donated items like golf equipment, sports memorabilia, or exclusive club experiences.

Golf Cart Refreshments

Raise funds through the convenience of on-course refreshments! Get behind the wheel of a golf cart and offer drinks and snacks to golfers during their rounds.

Charity Evening

Invite your club members to join you for an evening of exciting fundraising activities. Whether that's a charity dinner, a quiz, or an awards ceremony.

TOP TIPS

1. BEFORE YOUR EVENT

Register your fundraising: [Visit our website](#) to tell us about your plans and request your free fundraising pack.

Choose how you'll collect your donations: A great way to start is with an online fundraising page. [Click here to visit JustGiving and begin your journey.](#)

Ask for sponsorship: Contact local businesses who may wish to get involved as a sponsor or donate prizes for a raffle or auction.

2. DURING YOUR EVENT

Social media: Don't forget to take lots of photos and tag us in your posts!

Connect with the cause: Take a moment to talk to your members about UKST and explain why it's meaningful to you. Or why not invite one of our passionate volunteers along to give a speech?

3. AFTER YOUR EVENT

Donating the funds: Get in touch with the fundraising team via fundraising@sepsistrust.org if you need support following your event, or [visit our website](#) to kindly donate online.

Thinking of holding a cheque presentation to celebrate your achievements? We'd love for one of our fantastic volunteers to come along on our behalf to say a huge thank you.

Please note: volunteer attendance is subject to their availability.

HOW YOUR FUNDRAISING HELPS

£5

helps us to distribute 100 Just Ask leaflets

£25

funds 1 hour of a Support Nurse's time

£50

enables a Support Nurse to attend one of our virtual support groups

£250

helps us to distribute 10 support packs, which include a recovery diary

£1,200

provides a hospital with clinical tools, literature & leaflets for both A&E & ICU

Please be assured that the funds raised by your Golf Club will make a significant difference in UKST's mission to provide:

SUPPORT

Our passionate and knowledgeable teams provide specialist invaluable support.

AWARENESS

Our public awareness initiatives aim to prevent unnecessary death or serious injury from sepsis and save lives.

EDUCATION

Educating health professionals is at the top of our clinical priorities along with providing clinical guidance advice to the government.
