CORPORATE PARTNERS' MEMBERSHIP

JOIN A NETWORK OF PARTNERS HELPING TO SAVE LIVES FROM SEPSIS

Every year in the UK, 48,000 people die from a sepsis-related illness. That's 5 people every hour: more than bowel, breast, and prostate cancer combined.

Since 2012, the UK Sepsis Trust has been working to end preventable deaths and improve outcomes for survivors – but there's still so much to do. Becoming a corporate partner is a simple way to make a meaningful impact.

For organisations wanting a straightforward, impactful fundraising partnership, we offer defined packages that are easy to understand and simple to activate. You can find out more in this resource.

With your help, we can save thousands of lives every year.

WHY BECOME A CORPORATE PARTNER?

We work with organisations that want to drive real-world impact: greater awareness, faster recognition, and ultimately better outcomes for anyone affected by sepsis.

By working with the UK Sepsis Trust, you'll help us to:

- Reach thousands with life-saving sepsis awareness.
- Equip health professionals with the tools they need to recognise and treat sepsis promptly.
- Support families navigating life after sepsis.
- Empower thousands by bringing vital sepsis education into communities and workplaces.

MEMBER BENEFITS

Becoming a Corporate Partner couldn't be easier.

With clearly defined tiers and measurable impact, choose the level that aligns with your goals and values.

- A cause the whole organisation can champion.
- Clear CSR/ESG impact with powerful impact stories.
- A partnership rooted in values, purpose, and impact.
- National visibility across comms channels.
- Staff engagement through awareness, fundraising, and challenge events.

MEMBERSHIP TIERS

We have three available tiers:

Bronze member. A simple, structured way to stand with us and demonstrate leadership.

Silver member. For small-medium organisations looking for a high-impact partnership.

Gold member. For industry leaders looking to drive systemic change and champion our life-saving mission at scale.

BENEFIT	MEMBERSHIP TIER / PER ANNUM

X1 London Marathon place			✓

*Places are provided with the expectation that participants will fundraise for UK Sepsis Trust.

**Partners will be given first refusal on major sponsorship opportunities before they are offered more widely.

YOUR IMPACT: JAMES' STORY

Four years ago, Helen tragically lost her son James to sepsis when he was just 16-months-old.

Since then, she has been determined to raise awareness and drive positive change in her son's memory, and has sought community and support in our online bereavement Support & Connect groups.

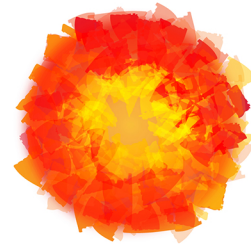

"Joining the UK Sepsis Trust's online bereavement group was one of the best decisions I made after my son died", Helen says. "It gave me a safe, understanding space to share my grief and connect with others who truly understand the pain. Knowing I wasn't alone made all the difference.

"The sessions are filled with every kind of emotion, all of them valid and respected. But within that, there's also light and connection – and that helps make things just a tiny bit easier."

Thanks to our supporters, people like Helen can access the support they need as they navigate life following a sepsis bereavement: support that can have a lifechanging impact.

If you have been affected by sepsis and would like to speak to one of our Support Nurses or join a Support & Connect group, you can find out more at sepsistrust.org/get-support/
